

Kamloops Community Football Society SPONSORSHIP OPPORTUNITIES

Kamloops Community Football Society is a community based non-profit youth football program. We have players ranging in age from 7 years old to 16 years old. We are solely run by a group of volunteers that spend countless hours giving back to the community through a variety of roles. We focus on leadership, technical player development, active participation as a citizen of the community and creating a safe and fair environment for players, parents, fans, coaching staff and management.

As a non-profit community based program we have the ability to offer you not only the satisfaction of giving back to the youth in this community, but also to get your business message out there.
